

THE NEW SOLAR HOME

Dave Bonta and Stephen Snyder

AUTHORS DAVE BONTA AND STEPHEN SNYDER OF USA SOLAR STORES illustrate exceptional homes that are groundbreaking not only in their use of renewable energy but also in their commitment to recycling and repurposing materials used in construction and reducing the impact on the surrounding environment through sensitive building methods. With details on why these homeowners decided to go solar and how having a solar home can save money in the long run, these solar beauties are sure to inspire homeowners to create or remodel their own solar sanctuaries.

Dave Bonta writes about alternative energy and sustainable living for *Green Living*, *Back Home Magazine*, *Alternative Energy Retailer*, and the *Vermont Guardian*. He is a frequent speaker at major green energy conferences and lives in Perkinsville, Vermont.

Stephen Snyder, communications director for USA Solar Stores, is a freelance writer who lives in Perkinsville, Vermont.

Shows how solar technology can be stylishly utilized in various home sizes and locales
